WELCOME TO UEA

Hello, I want to take this opportunity to introduce myself and UEA to you. The University was founded in 1963 and has developed a reputation as one of the UK's leading universities. It's also one of the most international institutions with research and teaching interests that span a whole range of academic disciplines and geographic areas. I look forward to meeting many of you in the coming months and years and welcoming you on to UEA's campus and to the beautiful city of Norwich.

Professor Steven McGuire
Pro-Vice-Chancellor International

Hi everyone, I'm Embla, one of the international students at UEA.

"I am really pleased with my decision to come to UEA to study politics. Last year, I took a very interesting and facilitating foundation year wherein I learnt about topics related to the field of humanities, which gave me the set of skills and confidence to allow me to continue onto this year, wherein I have now begun the first year of my politics degree. My favourite thing about Norwich is how much of a student-friendly place it is.

The city is within walking distance of my accommodation and is such a cosy and characterful place.

The university campus also has plenty to offer and I especially recommend the visiting bakery. I love that UEA has so much green open space and sometimes while walking here you can see rabbits!!

I look forward to whatever the rest of my time at UEA will bring.

UK HIGHER EDUCATION

Standard bachelor's degrees are only three years in duration. Higher education study is subject-specific in the UK and there are no general education requirements.

Most master's degrees (Postgraduate Taught) are one year in duration.

PhDs (Postgraduate Research) are generally completed in three years.

DEGREE PROGRAMMES

The University is well known for both teaching and research excellence. Among others, our leading subjects are in brand leadership, marketing, creative writing, environmental sciences, chemistry, global development, economics, business, media studies, engineering, computing sciences and health sciences.

A CITY FOR EVERYONE

Norwich is one of the UK's most exciting cities, where old meets new, nature meets technology, and local and global cultures are united. Bigger than Cambridge but not as hectic as London, Norwich is home to people from all over the world. Here you will find the UK's best vintage shopping; a truly worldwide culinary experience; as well as theatres, cinemas, museums, and galleries. We host one of the UK's largest open-air markets and, of course, we're home to Norwich City Football Club.

A CITY OF INTERESTS

Norwich is England's first UNESCO City of Literature – one of only 20 in the world.

Each year in May, we celebrate with 17 days of art, literature, dance, theatre and music. But every day there are live music events, outdoor pursuits, independent artist-led spaces and days out for all interests and activities. In 2024, The Sunday Times named Norwich one of the best places to live in the UK. We think this is because Norwich is truly a city for everyone.

CAMPUS MAP

The iconic buildings and vibrant green spaces that make up UEA's campus are spread across 145 hectares; we are a short journey from Norwich city centre.

SUPPORT FOR INTERNATIONAL STUDENTS

At UEA, you'll have access to a wide range of support through Student Services where you can discuss any concerns in a confidential, professional, and non-judgemental environment. Our experienced advisers can provide assistance with wellbeing, finance, study, disability and long-term health conditions, living on and off-campus, and more. Dedicated security staff are on campus 24/7. The campus also has a medical centre, dentist, and a pharmacy.

CareerCentral provides careers advice and guidance to help develop your professional skills, increase confidence, and to prepare you for work.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

For the majority of our undergraduate courses, we require an IELTS score of 6.0 overall (with a minimum of 5.5 in each component). For course-specific requirements, please refer to the course pages on our website.

SCHOLARSHIPS

All international students applying for Year 1 of an undergraduate course at UEA for 2025/6 entry will automatically be awarded a £4,000 scholarship for each year of study. Students must meet the standard entry requirements for their course which can be found on our website.

Applicants for MBBS Medicine, BSc Physiotherapy, BSc Occupational Therapy and BSc Speech and Language Therapy are not eligible for this scholarship.

Please refer to the scholarship page on our website for full terms & conditions.

INTO UEA

INTO UEA is a partnership between INTO and the University of East Anglia.

The on-campus centre offers academic preparation courses and English language programmes designed specifically for international students.

The courses available help prepare students for entry into university study within the UK, and prepare students for living and studying in a university environment.
